Kingdom Church

General Headquarters, 1430 Myra St.,
Los Angeles, Calif., U. S. A.

Incorporated in California, New Mexico,
and Will Be Incorporated in Texas.
A Lot Is Already Bought To Build a
Church in El Paso.

The Members and Committee of the
Kingdom Church Are Now Forming
All Necessary Papers for Incorporation.

Rev. A. Schrader, who has healed afflictions by prayer, are at the Alamo Inn, 314-1-2 South El Paso street, Room 16, where all callers can see them for healing. Rev. Francis Schlatter is well known among the good people of Texas and all will remember his marvelous and most wonderful cures all over the land, far and near. He has come to convert all the sick in the true faith of God by curing all who may come. Surely when you are cured by prayer you say, "Yes, I join the Kingdom church of healing." It is a wonderful thing to hear the testimonies of the hundreds who have been cured by Rev. Francis Schlatter of the Kingdom church. Rev. Mr. Schlatter has come to El Paso to stay to hold forth in his great revival meeting in curing all who may come, no matter what your sickness may be. He cures you by prayer and proves to any and all that God's power is unlimited in curing diseases without medicines or drugs, only by prayer. God's power alone. There are no charges for healing, only voluntary offerings—what you feel like giving. Come early as the crowds are great, so no one needs to wait too long. All are healed alike, rich and poor. All are invited to come. No matter where you belong to you are invited to come and be healed, or if you do not belong to any church you are invited. Remember all who wish to be healed come to the Alamo Inn, 314-1-2 South El Paso street, Room 16.

West San Antonio street from El Paso to the city streets was approved. An ordinance regulating the paving of steam railroad crossings in the city was adopted.

A resolution allowing amounts of money in various paving funds on completed streets to be transferred to the general paving fund was adopted.

Paving Petitions Referred. A petition of property owners to pave West Boulevard from Los Angeles street to the alley in block 15, Sunset Heights, was referred to the streets and grades committee.

A petition for the paving of West Boulevard from Oregon to West Boulevard was also referred to the same committee.

A petition for the paving of the alley from San Francisco street to East Overland street was also referred to this committee.

Motherhood

The highest point of woman's happiness is reached only through motherhood, in the clasping of her child within her arms. Yet the mother-to-be is often fearful of nature's ordeal and shrinks from the suffering incident to its consummation. But for nature's ills and discomforts nature provides remedies, and in Mother's Friend is to be found a medicine of great value to every expectant mother.

It is an emulsion for external application, composed of ingredients which act with beneficial and soothing effect on those portions of the system involved. It is intended to prepare the system for the crisis, and thus relieve, in great part, the suffering through which the mother usually passes. The regular use of Mother's Friend will repay any mother in the comfort it affords before, and the helpful restoration to health and strength it brings about after baby comes.

Mother's Friend is for sale at drug stores.

Write for our free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

A resolution to transfer \$304.23 from the street paving to the contingent fund was adopted.

The readers of this paper will be pleased to learn that there is at least one devoted citizen that adheres to the law in all its stages, and that is Captain. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is a purely natural remedy, and it is absolutely safe, and it is directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the system strength by building up the constitution and assisting nature in doing the work. The proprietors have so much faith in the curative powers that they offer one Hundred Dollars for any cure that it fails to cure. Send for list of testimonials.
